

RESOLUTION NO. 16 - 96

**Priest River Airport Advisory Board
Appointment of New Member and Re-Appoint Members**

WHEREAS, by Resolution 97-38 the office of the Bonner County Commissioners formed the Priest River Airport Advisory Board with three (3) members; and

WHEREAS, Resolution 13-116 modified the Priest River Airport Advisory Board to consist of five (5) members serving a three (3) year term; and

WHEREAS, Jim Caviglia has resigned from the Board creating a vacancy; and

WHEREAS, the Board of County Commissioners desire to fill such vacancy.

WHEREAS, Greg Snow has submitted a letter of interest to request appointment to the Priest River Airport Advisory Board; and

WHEREAS, the term for current members George Weaver and Randy Blinn expired on April 30, 2016, and

WHEREAS, members George Weaver and Randy Blinn have submitted letters of interest requesting re-appointment to the Priest River Airport Advisory Board, and

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Bonner County, Idaho, that Greg Snow is hereby appointed to serve on the Priest River Airport Advisory Board with a three (3) year term expiring December 5, 2019 and re-appointing members George Weaver and Randy Blinn for a three (3) year term expiring December 5, 2019.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Board of County Commissioners of Bonner County, Idaho that it is the desire of the Board to appoint and re-appoint members of the Priest River Airport Advisory Board as follows:

<u>Name</u>	<u>Term expiration</u>
George Weaver	December 5, 2019
Randy Blinn	December 5, 2019
Greg Snow	December 5, 2019

Duly enacted as a Resolution of the Board of County Commissioners of Bonner County, Idaho, on the 6th day of December, 2016.

Memorandum

To: Commissioners

From: Jim Kaiser, Airports Director

Re: The Appointing & Re-Appointing Members to the Priest River Airport Advisory Board

Bonner County has formed the Priest River Airport Advisory Board by passage of Resolution # 97-38. Jim Caviglia has resigned from the Board creating a vacancy. Greg Snow has expressed interest in serving on the Priest River Airport Advisory Board, and the Priest River Airport Advisory Board is recommending his appointment to fill this vacancy. The term for current members George Weaver and Randy Blinn expired on April 30, 2016 and they have submitted letters of interest requesting re-appointment to the Priest River Airport Advisory Board.

<u>Name</u>	<u>Term expiration</u>
George Weaver	December 5, 2019
Randy Blinn	December 5, 2019
Greg Snow	December 5, 2019

Distribution: Original Resolution to BOCC Office
Copy to Priest River Airport Director
Copy to George Weaver, Randy Blinn and Greg Snow

A suggested motion would be: **Mr. Chairman based on the information presented before us, I move that the County approve Resolution 16- 96 appointing Greg Snow and re-appointing George Weaver and Randy Blinn to the Priest River Airport Advisory Board with three (3) years terms ending December 5, 2019.**

Recommendation Acceptance: yes no *Cary Kelly* Date: 12-6-16
Commissioner Cary Kelly, Chairman

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes the use of statistical techniques to identify trends and anomalies in the data, and the importance of using reliable sources of information.

3. The third part of the document discusses the role of the auditor in the process. It explains how the auditor is responsible for verifying the accuracy of the records and for reporting any discrepancies to the appropriate authorities. It also discusses the importance of maintaining confidentiality and objectivity throughout the process.

4. The fourth part of the document discusses the various factors that can affect the accuracy of the records. It includes a discussion of the potential for human error, the impact of technological changes, and the importance of regular audits and updates to the system.

5. The fifth part of the document discusses the various methods used to ensure the accuracy of the records. It includes a discussion of the use of internal controls, the importance of training and education, and the use of external audits to provide an independent check on the system.

6. The sixth part of the document discusses the various factors that can affect the reliability of the data. It includes a discussion of the potential for bias, the impact of external influences, and the importance of using multiple sources of information to verify the data.

7. The seventh part of the document discusses the various methods used to analyze the data. It includes a discussion of the use of statistical techniques, the importance of using appropriate models, and the use of computer software to facilitate the analysis.

8. The eighth part of the document discusses the various factors that can affect the interpretation of the results. It includes a discussion of the potential for misinterpretation, the importance of using common sense, and the need to consider the context of the data.

9. The ninth part of the document discusses the various methods used to ensure the accuracy of the records. It includes a discussion of the use of internal controls, the importance of training and education, and the use of external audits to provide an independent check on the system.

10. The tenth part of the document discusses the various factors that can affect the reliability of the data. It includes a discussion of the potential for bias, the impact of external influences, and the importance of using multiple sources of information to verify the data.

11. The eleventh part of the document discusses the various methods used to analyze the data. It includes a discussion of the use of statistical techniques, the importance of using appropriate models, and the use of computer software to facilitate the analysis.

12. The twelfth part of the document discusses the various factors that can affect the interpretation of the results. It includes a discussion of the potential for misinterpretation, the importance of using common sense, and the need to consider the context of the data.

13. The thirteenth part of the document discusses the various methods used to ensure the accuracy of the records. It includes a discussion of the use of internal controls, the importance of training and education, and the use of external audits to provide an independent check on the system.

14. The fourteenth part of the document discusses the various factors that can affect the reliability of the data. It includes a discussion of the potential for bias, the impact of external influences, and the importance of using multiple sources of information to verify the data.

15. The fifteenth part of the document discusses the various methods used to analyze the data. It includes a discussion of the use of statistical techniques, the importance of using appropriate models, and the use of computer software to facilitate the analysis.

16. The sixteenth part of the document discusses the various factors that can affect the interpretation of the results. It includes a discussion of the potential for misinterpretation, the importance of using common sense, and the need to consider the context of the data.
