Subject: Transfer of Canon Copier CM4520 Serial #5060016 -KMCM4520 from Planning to Emergency Management

The Planning Department is no longer in need of an extra Canon copier located in their office. After research and talking with Canon, Procurement Manager, Teddi Lupton, determined that this particular copier has little trade-in value. The new Bonner County Multi-Use facility is in need of a copier, therefore we are requesting that this Canon copier be transferred from Planning to Emergency Management for use at the Multi-Use Facility.
