Sprayer Rentals

Bonner County rents out trailer sprayers at a rate of \$27 per day plus a refundable \$50 deposit. These sprayers come equipped with two boom-less nozzles that spray a width of 10' each, 75' of hose with a handgun attached, and a 150 gallon – 200 gallon capacity tank (depending on which site you rent from). The pumps are powered by a gasoline engine, and the trailers attach via a pin hitch (requiring a stinger without a ball mounted on it). They are available to rent on a reservation basis during the months of May, June, July, & August from the following solid waste sites: **Colburn** 263-0718, **Dufort** 265-0978, **Blanchard** 623-3591, **Prater Valley** 448-0322, and **Clark Fork** 266-0196. They may be available by special appointment during the months of September & October.
